

Commercial and Industrial Incentive Program

Your electric cooperative provides energy-efficiency incentives for retrofit projects of qualifying equipment in your existing building under the Rules and Requirements provided. Qualifications for equipment can be found on the Worksheet provided in this enrollment packet.

To apply for an incentive under \$10,000:

1. Complete the application and worksheet forms in its entirety.
2. Scan/copy and include in your submission Technical Specifications (cut sheet/spec sheet) on equipment you are applying for.
3. Scan/copy and include in your submission an itemized invoice(s). Quantity, make, model number and unit price of each item(s) **MUST** appear on the invoice(s).
4. Email the completed application, worksheet, technical specifications, and invoice(s) to rebates@hepn.com . If you are unable to email the following, you can mail the completed packet to:

Rebates

Hoosier Energy REC, Inc.

2501 South Cooperative Way

Bloomington, IN 47403

5. When rebates@hepn.com finalizes the enrollment, you will receive a follow-up email letting you know your submission has been completed and when to expect payment.

To apply for an incentive OVER \$10,000:

1. Complete the application and worksheet forms in its entirety.
2. Scan/copy and include in your submission Technical Specifications (cut sheet/spec sheet) on equipment you are applying for.
3. Scan/copy and include in your submission an itemized quote(s). Quantity, make, model number and unit price of each item(s) **MUST** appear on the quote(s).
4. Email the completed application, worksheet, technical specifications, and quote(s) to rebates@hepn.com . If you are unable to email the following, you can mail the completed packet to:

Rebates

Hoosier Energy REC, Inc.

2501 South Cooperative Way

Bloomington, IN 47403

5. When your enrollment has been approved, you will receive a pre-approval letter via email. This pre-approval letter must be signed and emailed to rebates@hepn.com at your earliest convenience to confirm and reserve your incentive payment.
6. When your equipment has been installed and your project is complete, you will need to submit a scan/copy of the invoice(s). Quantity, make, model number and unit price of each item(s) **MUST** appear on the invoice(s).
7. When rebates@hepn.com receives the invoice(s) and finalizes the enrollment, you will receive a follow-up email letting you know your submission has been completed and when to expect payment.

Custom Incentive Worksheet

\$0.04 per Kilowatt Hours Saved Annually

The Commercial/Industrial Custom worksheet gives the member-consumer businesses an opportunity to apply for an incentive for energy efficiency equipment that will be installed at their operation and would not fall under the prescriptive Lighting, Motors, or VFD program categories. Examples of custom incentives may include, but are not limited to: compressed air, refrigeration, data centers, evaporators, controllers, air chillers, etc. Outdoor lighting does not qualify for a custom incentive.

Requirements

- Pre-Approval is required if the incentive is projected to exceed \$10,000.
- Equipment must be new and replacing inefficient existing equipment. Used or rebuilt equipment will not qualify.
- Project quote, proposal, and/or invoice on energy efficiency equipment.
- Data report for energy savings verification by third party engineering consultant. Data report must exhibit and verify annual kWh savings for new equipment's installation.
